END of Term
Semester Final — 20%
Project Presentation — 20%) of class grade

by class time 10:00 am
finish/agree no later than 4:00 pm
Thursday

no agreement
by this time, 0 (ZERO) issued for
project grade.

Project

(1) Proposal. 10%

(2) Mid Project Review (10-20%)

22nd or 25th ^{~1/2 - 1 page}
code & 

(3) Project / Project Presentation (balance of grade)

Work will
be due the day
before the last day
(3:00 pm EDT)

~80%

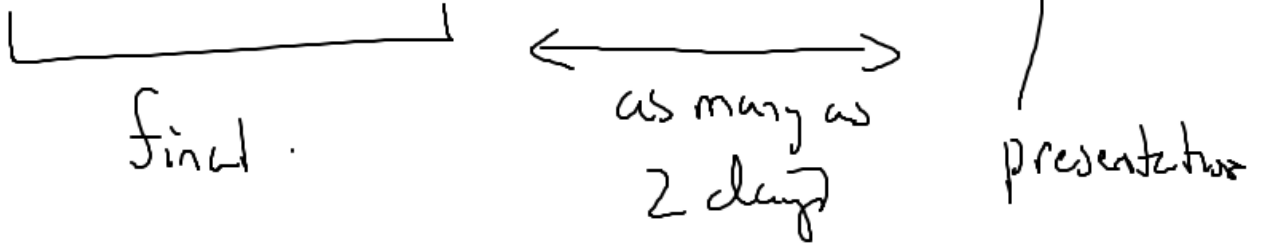

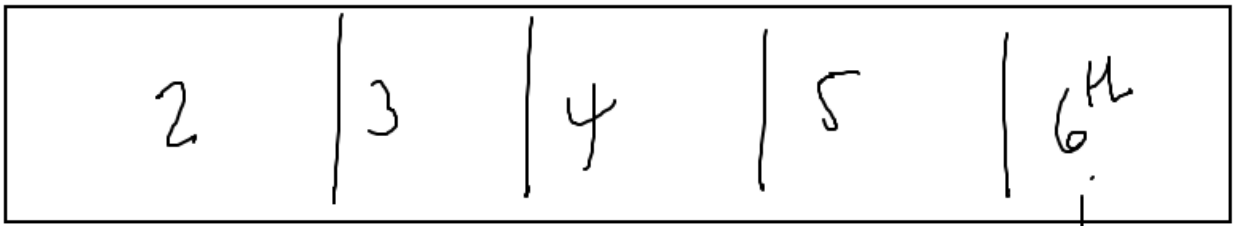

on last day of class

code + library(s) (or instructions)

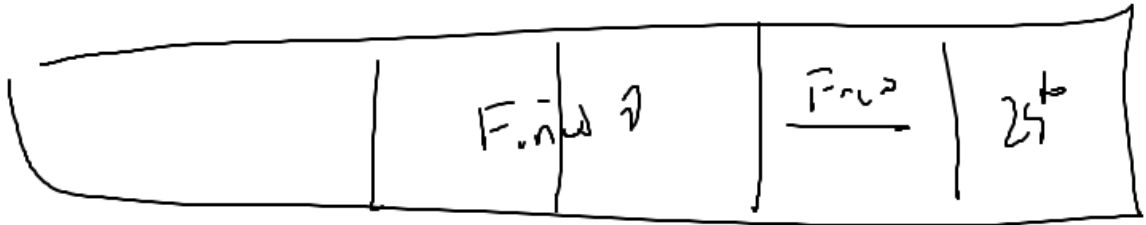

Proposal

1pg → what you will do
library
special
end product?
~~How~~ how will you
accomplish?

"Worse Case"

Project Requirements

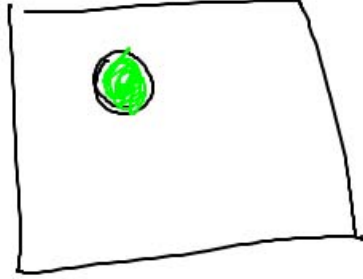

* must do something new to you

* Substantial work

* must include $\underset{\substack{\uparrow \\ \text{at least}}}{2}$ non-trivial $\underset{\substack{\uparrow \\ \text{original}}}{}$ classes

* have fun with it!

Pygame — load, access, do some basic things
