SUMMER BRIDGE

The Radford University Artis College of Science and Technology
Summer Bridge Program: WOMEN IN STEM serves rising
sophomore, junior, and senior high school students by facilitating a
week of exploration in science, technology, engineering, and
mathematics (STEM). Hands-on research, experiments, and fun!
July 12-17, 2026!

**Applications are NOW OPEN. The
first round of selection will take
place by January 16th, 2026 so be
sure to get your application in
TODAY.**
