FOCUSING ON THE FUTURE

FEBRUARY 22ND, 2025

Focusing on the Future (FOF) exposes forward-thinking learners to career opportunities related to the arts, humanities, mathematics, and sciences. The program also informs parents of considerations and guidelines for effective career and academic planning

WILLIAM & MARY YOUTH TALENT SEARCH PROGRAM (W&M-YTS)

What is W&M-YTS

This program will offer students the opportunity to be tested above level to assess where students are academically. This will give educators and families information to provide students with resources, ability-level enrichment programming, and other services that help them learn and develop at a higher ability level.

Why Participate?

- Identify academic strengths based on above grade-level testing
- Provide intensive educational learning beyond grade level
- Provide social belonging by interacting with peers and educators
